

In order for us to continue to travel to Nationals as a team, Chris Jung has reserved and paid a deposit from personal funds to secure a team block of seats for the flight to Florida for Spring Nationals 2007.

Swimmers will be required to attend practice and registration in Fort Lauderdale on the morning of 3/31/07. Therefore, they will need to arrive in Fort Lauderdale the night before on 3/30/07. The block that has been reserved will depart from Newark on Friday 3/30/07 (~5:30, this will enable swimmers to attend school that day) and return on Sat 4/7/07 (morning flight). The plane ticket for the team block is estimated at \$418 per person.

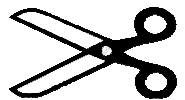

Travel cost is higher than last year due to the fact that Spring Nationals for 2007 require travel dates that span Passover and Easter holidays. Current prices for these dates are already running \$60-100 higher than our block per ticket.

It is very important for us to know how many seats people are willing to commit to. We would like the entire team to travel together since Nationals is a team event. If we do not have enough people for the team block, we will lose it and everyone will have to make their own travel arrangements and pay higher prices. All available team seats will be allocated on a first come first serve basis.

The National Team Coaching staff is asking you to send in a **deposit of \$50 per ticket** as soon as possible, but no later than Oct 30<sup>th</sup> to secure your seat.

Your cooperation is needed so that we can ensure that our National swimmers continue to have a wonderful experience. They've worked hard and have earned it!

Deposit checks should be made payable to: Chris Jung. Please include the form below with your check and mail to 4 Essex Court, Livingston, NJ 07039.
