

## Jingle Bells of the Dolphin Swim team

Let us swim, let us swim  
Swim laps all the way  
Oh what fun it is to swim  
at the YMCA!

Make your goal, make your goal  
Make those sponsors pay  
Don't get slow or you'll get coal  
and the sponsors will get away!

It's Swim a thon time again  
Time to grow team funds  
so take your sheets and pens  
And get those pledges done!

Soon you'll swim your laps.  
Then get your money in  
The prizes will be wrapped  
and the Dolphins will win!

So, come next week, don't be late  
Swim your laps with glee  
Special Olympics will appreciate  
the money and so will we!
