

Dear Team,

I am part of a fund raising initiative here at Kean University and for one of my classes to organize and raise money for the American Heart Association to help fight Cardiovascular Disease, the #1 killer in the U.S.. We are running a Jump Rope for Heart here at Kean and collecting donations for it.

I am trying to accomplish a personal goal of raising \$100, while my class of 26 has a goal of \$3000. There is a webpage where people can donate by credit card (\$25 minimum):

<http://www.kintera.org/faf/donorReg/donorPledge.asp?ievent=284638&supId=246409329>

People can definately give less, everything helps, by sending me cash or a check (preferably a check). It would also really help if people passed on the information and webpage to other people they know.

I do not know how to forward the email to the swim team and was wondering if maybe you can forward this e-mail, and also to maybe put the link to my Jump Rope for Heart webpage on the main team page.

Thank you for your help and support!

Marvin
