March 15, 2006

To: Teachers and School Officials for \_\_\_\_\_

From: Brian Greene, Head Swim Team Coach, Montclair YMCA

Re: National Championship Swim Meet/Absence from School

Please excuse this student from school from Monday, April 3 until (and including) Friday, April 7, 2006 to enable him/her to compete in the YMCA National Championship swim meet to be held in Ft. Lauderdale, FL during this period of time.

To qualify and compete at this level is an impressive accomplishment and an honor. \_\_\_\_\_'s success in competitive swimming is a direct result of hard work throughout the year.

The coaching staff and I encourage good academic performance and strong time management skills. We know that this time away from the classroom will be enriching and rewarding to each participant's overall growth.

Thank you for your support of this student's athletic endeavors.
