

New S&T candidates will attend classes designated as New S&T while existing S&T officials will attend the re-certifying S&T courses.

Re-certifying starters will attend the re-certifying S&T classes.

**New Starters will have their clinics conducted at an intra-squad or club dual meet.
New starter candidates must be sponsored by a NJS starter or referee.**

The following clinics have been scheduled. Officials and new candidates must pre-register with the instructor since space is limited. Kindly contact the listed instructor if you are planning to attend a clinic.
